EXPERIENCE

UCLA Housing | Safety Ambassador

Los Angeles, CA. November 2022 - Present

Responsible for the safety and security of the UCLA Housing facilities guests, staff members and physical assets. Act as a liaison with the University of California, LAPD, UCPD and other emergency departments. Performing routine tasks such as daily customer service interactions with residents and guests, perimeter checks and completing daily shift reports. Also completing incident reports as necessary.

Park Wilshire HOA | Security

Los Angeles, CA. February 2020 - Present

Providing security and customer service for residents of a high-end residential condominium on the Wilshire Corridor in Westwood. Access control, patrol, managing the front desk and interacting with visitors and residents. Writing daily reports and incident reports when necessary.

Santa Monica Police Department | Police Officer

Santa Monica, CA. March 2018 - April 2019

Patrol an assigned area in a marked vehicle for the prevention of crime and enforcement of laws and ordinances. Maintain law and order, answer inquiries and assist the public; respond to requests for police services and take appropriate actions. Investigate and prepare reports on offenses accidents, and other police incidents. Make arrests, issue citations. Direct traffic, inspect premises for security. Appear and testify in court, both on and off duty. Transport prisoners.

PROFILE

I am a passionate web developer with a strong interest in front-end development. I have experience working with HTML, CSS, JavaScript and various front-end frameworks like React. I enjoy creating user-friendly and visually appealing websites that provide a great user experience. I believe in the power of teamwork and collaboration. I have experience working in agile development environments, where I have collaborated with designers, developers, and other stakeholders to deliver successful projects. I am excited about the opportunity to work on innovative projects and contribute my skills to create meaningful and impactful web experiences.
